

MISSION STATEMENT
Alamogordo Chamber of Commerce Water Committee

1. To learn all we can about the supply and use of water.
2. To become conversant with the laws and regulations that govern the availability and use of water, and to keep abreast of any proposed changes in them.
3. To learn all we can of alternative ways to increase the supply of water and to more efficiently use water.
4. To endeavor to establish rapport with the institutions that control water and water rights.
5. To advocate for ways to improve the supply of water.
6. To provide a forum for the business community, city, and county governments to come together to discuss water issues.
7. To educate and inform the public on water issues.
8. To advise the Chamber of Commerce Board of Directors on policies regarding water issues
